Please note: Energy Assistance must be applied for annually. If you applied last program year, whether you received assistance or not, you must reapply this year.

HELP *When you need it most*

If you are struggling financially, we want to help you through the process of finding the assistance you need. Financial support is available through a variety of programs. Don't miss out on funds that may be available to you.

LIHEAP

**2024-2025 PROGRAM DATES:
NOVEMBER 4, 2024 TO APRIL 4, 2025**

You may be eligible to receive assistance to help pay your Columbia Gas bill from the Low Income Home Energy Assistance Program (LIHEAP). LIHEAP helps eligible households maintain utility service during winter months. Furthermore, if you allow the sharing of your household information with Columbia Gas on your LIHEAP application, you may be eligible to participate in other energy assistance programs to assist with your home heating costs without the requirement to submit income documentation. You can apply online via the state's Department of Human Services website at <https://www.compass.dhs.pa.gov>. For more information, call our Energy Assistance hotline at **1-800-272-2714**.

LIHEAP CRISIS

**2024-2025 PROGRAM DATES:
NOVEMBER 4, 2024 TO APRIL 4, 2025**

If you face shut-off due to lack of payments or service emergencies stemming from inoperable heating equipment, you could get a grant. These federally funded crisis grants may be applied to accounts where service has been shut off for safety or non-payment, and may be used to halt a pending shut off during the winter months. For more information, call our Energy Assistance hotline at **1-800-272-2714**.

DOLLAR ENERGY FUND

You could get a grant to use to pay off past-due bills or restore service. This program is available if you have exhausted all other available assistance programs. To find out if you qualify for a grant, call us at **1-800-537-7431** or apply online at hardshiptools.org/myapp.
