When times turn tough, neighbors help neighbors. It's what makes this region of the country strong. When you pledge one dollar – or more, if you can – you join with your community to help right here at home.

Pledge a Dollar, We'll Make it Two

For every dollar you pledge, Columbia Gas will match it. Dollar for dollar, the fund can grow quickly and will go to work immediately, helping others when need is highest. And when you make a gift, we'll guarantee that 100% of your gift and its matching funds will go towards helping local families. The fund won't spend a cent on administrative costs (those come from additional utility company grants).

From the families who have benefited from Dollar Energy Fund in the past ... thank you. Your gift, no matter its size, is the hard-to-forget generosity that will be remembered long after their need is gone.
