Your qualified contractor should provide you with documentation showing the model number of the equipment that was installed. If you cannot find the information on your invoice or other paperwork, then check the front area of the unit. Most units have a "name plate" area that lists the model number and serial number. Smart Thermostats list model number on the outside of the box typically near the UPC label. If you cannot easily locate the model number, contact the qualified contractor who installed the equipment and ask them for information.

†The rebate amount cannot exceed the purchase price. Account Owner is eligible to receive up to 2 smart thermostats rebates over a three year period at the same address.

Measure Information - Insulation and air sealing

• Customers may qualify for a rebate of 25% the cost of insulation AND air sealing up to a maximum of \$2,500. It is a program requirement that both insulation and air sealing be completed in order to qualify for the rebate.

• A qualified contractor must install both insulation and air sealing measures to qualify for a rebate.

• Please complete the information below using your qualified contractor's invoice.

• You will be required to upload your qualified contractor's invoice with your application. Be sure it includes the information requested below. If it doesn't, please contact your qualified contractor to add the information to your invoice.

• New construction or additional square footage added to a home does not qualify for insulation rebates.

Insulation Installation - Performed by a qualified contractor

Terms and Conditions

The Account Owner and/or Property Owner agree to the following Terms and Conditions and hereby certify that all information provided on the application is accurate, complete and that any existing equipment replaced was disposed of properly.

Rebate Availability

The Columbia Gas of Pennsylvania Residential Prescriptive Rebates Program ("Program") for Energy Efficiency Rebates has been approved by Pennsylvania's Public Utility Commission and may be subject to changes at any time. Applications must meet all of the following criteria in order to qualify for a rebate:

- Rebates are only available to existing residential customers of Columbia Gas of Pennsylvania. This application must be signed by both the Columbia Gas of Pennsylvania Account Owner and the Property Owner. Account Owner must be a Columbia Gas of Pennsylvania customer at the time of new measure purchase.
- Available rebates are for new measures (not refurbished or used) in the original packaging, must be replacements of existing measures and must be purchased and installed at the Account Owner's service address by a qualified contractor doing business in the applicable field (e.g., insulation installer, plumber, HVAC technician, or electrician) with the exception of a smart thermostat which can be installed by Owner. Insulation Rebates must include both insulation and air sealing measures in order to qualify for a rebate. New construction and additions to a home's square footage do not qualify for rebates.

The rebate application must be received within 120 days of purchase and installation or by December 31, 2025, whichever is sooner.

- Account Owner or Property Owner is responsible for obtaining all required permits related to the installation of the new measures.
- Account Owner may receive a rebate for up to two smart thermostats within a 3-year period.
- Primary heat source for installed measures must be natural gas.
- Rebate quantities are limited and are approved on a first come first served basis. Rebates are not guaranteed. Program funding is limited to levels approved by Pennsylvania's Public Utility Commission.

Note, rebate applications that are not submitted in a timely manner, are missing information, do not include all required documentation, or are approved after applicable funding runs out, will be denied rebates. Please check www.ColumbiaGasPA.com/WarmWise for Program updates. Program rebates are subject to Columbia Gas of Pennsylvania verification of application information which may include Program compliance site visit by Columbia Gas of Pennsylvania or its representatives.

Rebate Qualifications

Efficiency measures must be installed in the residential service address within Columbia Gas of Pennsylvania's service area. Applicants who receive a rebate greater than authorized, whether through fraudulent application or through a processing mistake, agree to refund the money back to Columbia Gas of Pennsylvania. Applicants must recycle or otherwise properly dispose of old equipment.

Applications Details

Columbia Gas of Pennsylvania issues rebates in the form of checks, not utility bill credits. Columbia Gas of Pennsylvania is not responsible if your retailer or qualified contractor provides inaccurate information about the amount and/or conditions of the actual rebate, and Columbia Gas of Pennsylvania will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers or qualified contractors regarding rebate qualifications. Applications are subject to verification by Columbia Gas of Pennsylvania. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Program Limitations and Limitation of Damages

Payment of the rebate by Columbia Gas of Pennsylvania or your participation in the Program does not warrant the performance of the qualifying/installed efficiency measures or equipment and does not warrant that the qualifying/installed efficiency measures or equipment will deliver any specified amount of energy or cost savings. The Account Owner and Property Owner shall independently evaluate any information related to the qualifying equipment. To the fullest extent allowed by law, neither Columbia Gas of Pennsylvania, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process provided by us or any third party. Reference to any specific project, process provided by us or any third party, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Columbia Gas of Pennsylvania, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

TO THE FULLEST EXTENT ALLOWED BY LAW, COLUMBIA GAS OF PENNSYLVANIA AND ITS AFFILIATES AND ALL OF THEIR EMPLOYEES, OFFICERS, AND DIRECTORS MAKE NO REPRESENTATIONS OR WARRANTIES, AND ASSUME NO LIABILITY WITH RESPECT TO QUALITY, SAFETY, PERFORMANCE, OR OTHER ASPECT OF ANY EQUIPMENT, MEASURES OR PRODUCTS INSTALLED PURSUANT TO THE PROGRAM AND EXPRESSLY DISCLAIM ANY SUCH REPRESENTATION, WARRANTY OR LIABILITY. Nothing in this Application shall be construed to create any duty to, any standard of care with reference to, or any liability to any third party. Columbia Gas of Pennsylvania shall not be responsible for costs or corrections of conditions already existing at the installation address which fail to comply with applicable laws and regulations. TO THE FULLEST EXTENT ALLOWED BY LAW, ACCOUNT OWNER AND/OR PROPERTY OWNER AS PART OF THE CONSIDERATION FOR PARTICIPATING IN, OR BENEFITING FROM, THE PROGRAM, AGREE TO INDEMNIFY, DEFEND, RELEASE AND HOLD COLUMBIA GAS OF PENNSYLVANIA AND ITS AFFILIATES AND ALL OF THEIR EMPLOYEES, OFFICERS, AND DIRECTORS, HARMLESS FROM AND AGAINST ALL LOSS, DAMAGES, COSTS, AND LIABILITY OF ANY NATURE WHATSOEVER ARISING, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, OUT OF OR IN CONNECTION WITH ACCOUNT OWNER'S AND/OR PROPERTY OWNER'S PARTICIPATION IN THE PROGRAM, INCLUDING, BUT NOT LIMITED TO, ANY CLAIMS RELATED TO INSTALLATION OR OPERATION OF ANY EQUIPMENT, MEASURES OR PRODUCTS INSTALLED OR SERVICES PERFORMED under the Program. Any visits to the Account Owner premises/installation address or other verification activities conducted by or on behalf of Columbia Gas of Pennsylvania are related to general Program compliance matters and are not safety or code reviews, nor are they intended for any other purpose. The provisions of this Program Limitations and Limitation of Damages section including, but not limited to, the obligations to indemnify, hold harmless and defend shall survive the termination or expiration of the Program, these Terms and Conditions and Account Owner's and/or Property Owner's participation in the Program.

Please allow approximately 4-6 weeks from receipt of fully completed application for your rebate check to arrive. Applications received that are missing information may be delayed or subject to rejection.

Acceptance of Program Terms and Conditions

Account Owner and/or Property Owner hereby certifies that all information on the application is accurate, including information about Account Owner's energy efficiency measures. I/we have read and agree to the above Program Terms and Conditions and acknowledge that Columbia Gas of Pennsylvania may verify all information provided. Verification Process may include a Program Compliance site visit by Columbia Gas of Pennsylvania or its representative.
